

C-Card Training Torbay 1 day training

This training is for anyone with a remit to deliver services to young people in Torbay. **C-Card** aims to enable practitioners to participate in the Torbay (C-Card) condom distribution scheme. This is multi agency training and is appropriate for all who have completed Levels 1 and 2 in Sexual Health.

Learning Outcomes

- Understanding of Fraser guidelines and Sex Offences Act 2003 and other legislation which is relevant to distribution to young people under 16.
- Explored and understand the Torbay C-Card procedures and policy.
- Be familiar with condoms and safer sex products
- Have the ability to correctly and confidently demonstrate condom use in a one to one or group setting
- Understand and feel confident in using C-Card guidelines and online data collection as required by the scheme
- Have explored attitudes relating to condom use amongst young people.
