This is a list of all current C-Card sites. Some of these may only operate at certain session times so to make sure please call before visiting or referring any young people to a C-Card issuer.

***Access: Open** = This organisation is open to all young people although some doctors surgery's will only issue C-Cards to their own patients.

***Access: Students Only** = This issue site will only issue C-Cards and condoms to their own students.

***Access: Residents Only** = This issue site will only issue C-Cards and condoms to their own residents.

***Access: Clients Only** = This issue site will only issue C-Cards and condoms to their own clients

***C-Cards and Condoms** = You can join the C-Card at these issue sites and get free condoms

***Condoms only** = This site does not issue C-Cards but you can get free condoms if you already have a C-Card.

***Chlamydia Screening** = This C-Card site offers Chlamydia screening.

* **EHC** = This site is part of the Emergency Hormonal Contraception Scheme.

If you would like to know more about the C-Card scheme then please contact:
